MEW/ITB/25/2018 – Invitation to Bid (ITB) for Financial Support for Electricity from Solar Photovoltaic Installations with capacity of 1000kWp or more

Reference is made to the scheme in caption for which the deadline for submission of offers is the 26th October 2018 at 1200hrs CET.

Here-under please find a clarification which is construed to form an integral part of the ITB document.

Clarification No 5-

Question

We merely wish to confirm that the land granted to us by virtue of a temporary emphyteusis falls under category No. 1 “quarries, official disused landfills, industrial land and roof tops” and not under category No. 3 “Land under a government concession”.

Reply

Any request for classification of a particular site cannot be performed at bidding stage. Such categorization would be based on the documentation presented as part of the bid subject to any relevant verification by the evaluation committee.
